

216  
HIGH COURT OF MADHYA PRADESH  
PRINCIPAL BENCH JABALPUR

**Subject: The matter regarding the broadband connection at the server room of the District Courts in the State of Madhya Pradesh**

Under the subject cited above, it is to submit that the communication has been received from Pr. System Analyst that there is need for a broadband connection at the server room of each location. This requirement stems from the necessity for a reliable backup line and the seamless functioning of our Software-Defined Wide Area Network (SD-WAN) project. As technology evolves, the reliance on efficient and robust networking solutions becomes paramount, especially within the framework of a judicial environment. The SD-WAN project aims to enhance connectivity, improve network performance, and ensure uninterrupted access to critical applications and data.

- (1) Redundancy and Backup: A broadband connection at each server room serves as a vital redundancy measure. In the event of a primary connection failure, the backup line ensures continuity of operations and minimizes downtime.
- (2) SD-WAN Optimization: The success of our SD-WAN project hinges on the availability of high-quality, high-speed internet connections. A dedicated broadband connection at each location's server room will contribute to the optimal performance of the SD-WAN infrastructure.
- (3) Secure WiFi Project at District Locations: The dedicated broadband connection will also contribute to providing

*As*

217  
HIGH COURT OF MADHYA PRADESH  
PRINCIPAL BENCH JABALPUR

enhanced wireless connectivity to the Advocates at District Court locations.

Broadband Plans: Since our primary line is provided by BSNL under the DoJ project, it is recommended to procure a backup line from an alternative provider, such as Jio, Airtel, or any other, whose connectivity is reliable in their respective locations. The broadband plans of Airtel and Jio are enclosed in annexure 'A'. Both are giving 19800GB data per month (FUP limit) on each plan.

Further it is suggested that the broadband plan may be chosen as per the number of court rooms at each location as per details given below:-.

S.No.	Number of Court Rooms	Speed Up to	Broadband Plan (Proposed, Exclusive of GST)
1	1-4	40-50 Mbps	499/- or 501/-
2	5-15	100Mbps	799/- or 801/-
3	16-50	200Mbps	999/- or 1001/-
4	51-100	300Mbps	1499/- or 1501/-

The details of the same is placed as per "Flag-A" for kind perusal, please.

In this regard, it is further submitted that for the office of District and Sessions Judges and Office of Principal Judges of Family Courts, previously the Computer and e-Court committee of the High Court in its meeting dated: 23<sup>rd</sup> September, 2020 has resolved to recommend as under: -

**Subject: Requirement of a broadband connection at the server room of each location within the District Judiciary.**

Under the subject cited above there is need for a broadband connection at the server room of each location within the District Judiciary. This requirement stems from the necessity for a reliable backup line and the seamless functioning of our Software-Defined Wide Area Network (SD-WAN) project. As technology evolves, the reliance on efficient and robust networking solutions becomes paramount, especially within the framework of a judicial environment. The SD-WAN project aims to enhance connectivity, improve network performance, and ensure uninterrupted access to critical applications and data.

- (1) **Redundancy and Backup:** A broadband connection at each server room serves as a vital redundancy measure. In the event of a primary connection failure, the backup line ensures continuity of operations and minimizes downtime.
- (2) **SD-WAN Optimization:** The success of our SD-WAN project hinges on the availability of high-quality, high-speed internet connections. A dedicated broadband connection at each location's server room will contribute to the optimal performance of the SD-WAN infrastructure.
- (3) **Secure WiFi Project at District Locations:** The dedicated broadband connection will also contribute to providing enhanced wireless connectivity to the Advocates at District Court locations.

**Broadband Plans:** Since our primary line is provided by BSNL under the DoJ project, it is recommended to procure a backup line from an alternative provider, such as Jio, Airtel, or any other, whose connectivity is reliable in their respective locations. The broadband plans of Airtel and Jio are enclosed in annexure 'A'. Both are giving **19800GB data per month (FUP limit)** on each plan.

Further it is suggested that the broadband plan may be chosen as per the number of courts at respective locations.

S.No.	Number of Court Rooms	Speed Up to	Broadband Plan (Proposed, Exclusive of GST)
1	1-4	40-50 Mbps	499/- or 501/-
2	5-15	100Mbps	799/- or 801/-
3	16-50	200Mbps	999/- or 1001/-
4	51-100	300Mbps	1499/- or 1501/-

Therefore, may if approved, I kindly request the allocation of a dedicated broadband connection for the server room at each District Judiciary location.

**Subject:-05      The matter regarding to provide fiber optic connectivity plan of Rs. 849/- (In lieu of existing plan) for the Judges of District Courts and Tehsil Courts in the State of Madhya Pradesh.**

Under the subject cited above, it is to submit that the communication has been received from the District and Sessions Judge, Neemuch that in the light of recommendation of Hon'ble Shetty Commission, BSNL broad band plan- 799/- OR in case of non-availability, plan 845 /899/- is fixed, for the residential office of the Judicial Officers as per Memo No- Reg (IT)(SA)/2015/962, Jabalpur Dated, 28.08.2015 and Memo No- Reg(IT)(SA)/2016/228 Jabalpur Dated, 16.03.2016

As per the Memo No- Reg(IT)(SA)/2020/63, Jabalpur dated 13.01.2020 of the Hon'ble High Court of Madhya Pradesh Jabalpur, the facility of fiber optic connectivity on Monthly charge of Rs.-849/- in which 50 MBPS speed (upto 600 GB, beyond that 2 MBPS) + call , has been provided only for the Residential Office of the District Judges.

Presently, M/s BSNL Ltd. has started the process of laying fiber line at District and Tehsil level and due to high speed of telephone broadband having fiber optic connectivity, the judicial

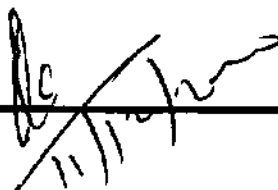

officers are demanding fiber optic connectivity plan in place of earlier allotted plans.

It has been expressed by BSNL that if a line having fiber optic connectivity is established with the earlier plan, then in 3-4 months, the said former plan will be automatically converted into plan 849/-.

Therefore, in the above circumstances it is requested that since, the old broad band plan of Rs. 799/- or of Rs. 845/899 plan is equivalent to the said new Fiber optic connectivity plan of Rs. 849/- and the bills received are also for the same amount, only the line is changed due to which the telephone numbers are changed. In such a situation, keeping in view the demand of the Judicial Officers for the facility of telephone with new fiber optic connectivity, kindly be pleased to provide appropriate guidance to the other Judicial Officers of the establishment regarding the permission/guideline for combining the new fiber optic connectivity plan 849/-

The memo is placed as per "Flag-A" for kind perusal and consideration.

It is further submitted that previously this Registry vide memo no. Reg(IT)(SA)/2015/962, dated: 28.08.2015 has made communication to all District and Sessions Judges in the State of Madhya Pradesh that Hon'ble the Chief Justice been pleased to permit to provide internet broad band at the residence of Judicial Officers in the State of Madhya Pradesh, that at locations where

  
11/11/15

M/s BSNL Ltd. is not in position to provide the Internet unlimited Broadband plan of Rs. 799/- (Excluding Taxes) then at such location the BSNL unlimited plan of Rs. 940/- (Including Service Tax @ 14%) on monthly basis is to be provided at the Residence office of the Judicial Officers within prescribed financial Limits by taking up the matter with M/s BSNL Authorities.

It is further submitted the computer and e-Court committee of the High Court is of the view that the Computer and e-Court committee of the High Court in its meeting dated: 05<sup>th</sup> August, 2015 has resolved to recommend as under:-

***"At locations where M/s BSNL Ltd. is not in position to provide the Internet Broadband plan of Rs. 799/- then at such locations the BSNL plan of Rs. 940/- (Including Service Tax @14%) on monthly basis be provided at the Residence Office of the Judicial Officers within the prescribed financial limits of the Judicial Officers."***

As per approval of Hon'ble the Chief Justice the communication was made accordingly to all the District and Sessions Judges in the State of M.P. regarding Internet Broad Band Plan 940/- on monthly basis. But now, it is informed by the Office of General Manager Telecom Division, Jabalpur that the plan 940/- is on six monthly basis and the plan cannot be changed to monthly plan.

  
11/12/2015

The matter was further placed before the Computer and e-Court committee and the committee in its meeting dated: 25<sup>th</sup> February, 2016 has resolved to recommend as under:-

***"At locations / site where M/s BSNL Ltd. is not in position to provide the Internet Broad Band Plan @ Rs. 799/- on monthly basis then at such locations the Internet broadband (BBG) combo ULD 845/899 plan (excluding taxes) may be made from Bharat Sanchar Nigam Limited for the Office Residence of Judicial Officers within the prescribed financial limits of the Judicial Officers. The District and Sessions Judges in the State of M.P. may be communicated accordingly."***

Hon'ble the Chief Justice vide order dated: 14.03.2016 has been pleased to approve the Internet broadband (BBG) combo ULD 845/899 plan from M/s BSNL Ltd. for the office residence of Judicial Officers and also permit to communicate District and Sessions Judges to take up the matter regarding the connection of Internet broadband plan of BBG combo ULD 845/899 (excluding service tax) for the office residence of Judicial Officers with in the prescribe financial limits.

Accordingly, this Registry vide memo no. Reg(IT)(SA)/2016/228, dated: 16.03.2016 has made communication to all District and Sessions Judges in the State of Madhya Pradesh that at locations / site where M/s BSNL Ltd. is not in position to provide the Internet Broad Band Plan @ Rs.

*11/12/2016*

799/- on monthly basis at Office Residence of Judicial Officers, then at such locations / site the Internet broad bank (BBG) combo ULD 845/899 plan (excluding taxes) be made from M/s Bharat Sanchar Nigam Limited for the Office Residence of Judicial Officers within the prescribed financial limits. The copy of letter of M/s BSNL and aforementioned memo is hereby enclosed along with this memo for kind perusal.

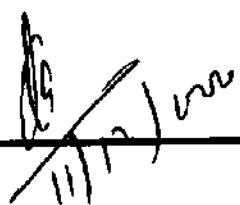

Also, recently this Registry vide memo no. Reg(IT)(SA)/2020/63, dated: 13.01.2020 has provided the facility of the fiber optic connectivity for the office residence of District and Sessions Judges in the State of Madhya Pradesh.

The copy of memo is placed as per "Flag-B" for kind perusal and consideration.

It was further submitted before the committee that M/s BSNL Ltd., Jabalpur has submitted the proposal vide letter dated: 03.12.2020 that for all Judges/Judicial Officers of Tehsil Court, District Court and other Courts High Speed Internet (FTTH) connections is required for carrying out Video conference on-line hearing from their offices and residences. Hence for smooth video conferencing, the FTTH Plan of Rs. 799/- (monthly charges) is proposed for day to day work as per details given below:-

***The features of the Plan-799 is as follows:***

1. Monthly Rental charges - Rs. 799/- + GST
2. Monthly Modern rental charges- Rs. 90 + GST

A handwritten signature in black ink is written over the date 11/12/20. The signature is stylized and appears to be a name with a surname.

- 3. Security Deposit One time- Rs. 799/- (waived Off)
- 4. Modem Security one time- Rs. 500/- (waived Off)
- 5. Installation charges- Rs. 500/- (waived Off)
- 6. Bandwidth 100 mbps upto 3300 GB & 2 mbps beyond
- 7. Voice call- Free calls Unlimited

**NOTE:-** *If FTTH connections are feasible from BSNL side then above tariff is applicable. If BSNL fibre is not feasible then connection will be provided through BSNL Franchisee, in that case Modem & installation charges of Rs. 5000/- to be paid to BSNL franchisee one time and all subsequent billing will be done by BSNL every month.*

The proposal of M/s BSNL Ltd., Jabalpur is placed as per "Flag-C" for kind perusal and consideration.

It is further submitted that for the office of District and Sessions Judges and Office of Principal Judges of Family Courts, previously the Computer and e-Court committee of the High Court in its meeting dated: 23<sup>rd</sup> September, 2020 has resolved to recommend as under: -

***"The facility of fiber optic connectivity for the Office of District and Session Judges of District Courts and Principal Judges of Family Courts in place of existing BBG combo plan of Rs. 1,199/- (+18% GST as applicable) be approved as under:-  
Monthly recurring charge.***
