NOTE SHEET

11.12.2023

Matter pertains to 5% QC report of scanned records for the month of October and November 2023 forwarded by Writer Information Management Services to this Registry. Writer Information Management Services has provided data of 415 scanned and cleaned cases in excel sheet format, out of which S.No. 1 to 205 are fresh scanned and cleaned cases and S.No. 206 to 415 are scanned and cleaned loose documents for the month of October 2023. (flag at 'A')

Similarly, Writer Information Management Services has provided data of 404 scanned and cleaned cases in excel sheet format, out of which S.No. 1 to 202 are fresh scanned and cleaned cases and S.No. 203 to 404 are scanned and cleaned loose documents for the month of November 2023. (flag at 'B')

On day-to-day basis, the quality checking is done at the time of scanning of fresh filed cases and loose documents by Legal Quality Control Supervisors Shri Lokesh Mishra and Shri Nikil Thapa. In the month of October and November 2023, Legal Quality Control Supervisors have pointed out mistake in 28 scanned records for each month during the digitization process. (flag at 'C&D')

Random checking of 5% QC report of 415 and 404 scanned and cleaned cases for the month of October and November 2023 respectively forwarded by Writer Information Management Services has been done.

Therefore, if approved, may be permitted to send aforesaid information /report to the main Registry.

NOTE SHEET

11.12.2023

Matter pertains to 5% QC report of scanned records for the month of October and November 2023 forwarded by Writer Information Management Services to this Registry. Writer Information Management Services has provided data of 415 scanned and cleaned cases in excel sheet format, out of which S.No. 1 to 205 are fresh scanned and cleaned cases and S.No. 206 to 415 are scanned and cleaned loose documents for the month of October 2023. (flag at 'A')

Similarly, Writer Information Management Services has provided data of 404 scanned and cleaned cases in excel sheet format, out of which S.No. 1 to 202 are fresh scanned and cleaned cases and S.No. 203 to 404 are scanned and cleaned loose documents for the month of November 2023. (flag at 'B')

On day-to-day basis, the quality checking is done at the time of scanning of fresh filed cases and loose documents by Legal Quality Control Supervisors Shri Lokesh Mishra and Shri Nikil Thapa. In the month of October and November 2023, Legal Quality Control Supervisors have pointed out mistake in 28 scanned records for each month during the digitization process. (flag at 'C&D')

Random checking of 5% QC report of 415 and 404 scanned and cleaned cases for the month of October and November 2023 respectively forwarded by Writer Information Management Services has been done.

Therefore, if approved, may be permitted to send aforesaid information /report to the main Registry.

Note:- a. *The tax shall be applicable as per Government Norms and the payment shall be made depending on the number of pages digitized meeting all technical parameters.*

b. *For billing/payment details refer page no. 33-34 of this contract.*

4. Period of Engagement:-

The duration of project is three years valid from 08.11.2021 to 07.11.2024. Since it's a turnkey project, the Registrar General, High Court of M.P. reserves the right to extend the contract duration at its sole discretion. During the extension period the rates may be revised depending upon the wages of manpower that are engaged for scanning / digitization work.

5. Availability of Personnel:-

5.1 The service provider shall confirm the availability of all personnel as indicated in the Proposal.

5.2 It is envisaged that the assignment will be undertaken by a core team who are fluent in English and Hindi, which would include a full-time Team Leader / Project Manager who is a digitization specialist with good facilitation skills and capacity in multiple digitization methodologies including experience in creation of metadata completely Full-time Team Leader / Project Manager should have a adequate working experience of ISO 14721 Open Archival Information System (OAIS) Reference Model based Digitization Project execution.

- 5.3 The High Court of M.P. will not consider substitutions during contract negotiations unless both parties agree that undue delay in the selection process makes such substitution unavoidable, or for reasons such as death or medical incapacity. Any proposed substitute shall have equivalent or better qualifications and experience than the original candidate and must be submitted to and approved by the Registrar General, High Court of M.P. within the period of time specified in the Letter of Invitation to negotiate.
- 5.4 Failure to meet either of these requirements may result in disqualification.
- 5.6 Full-time Employees.
It is highly desirable that the Project Manager / Team Leader and other key position holders are regular full-time employees of the service provider. A regular full-time employee is defined as a person who, on the date of submission of the Proposal:-
- 5.7 Is currently employed under a contract or agreement of employment with the Service provider; and.
- 5.8 Has been employed by the service provider or partner for the 12 consecutive months immediately preceding the date of submission of the Proposal; and
- 5.9 Is entitled to receive regular remuneration and benefits from the Service provider.
- 5.10 Service provider Liability of deployed manpower for the project. -
- 5.10.1 The entire financial liability in respect of manpower deployed in the High Court of Madhya Pradesh shall be of Service Provider and the High Court will in no way be liable.
- 5.10.2 For all intents and purposes, the service provider shall be the "Employer" within the meaning of different Labour Legislations in respect of manpower so employed and deployed in the High Court. ***The persons deployed by Service Provider in the High Court shall not have any claims***

whatsoever like employer and employee relationship against High Court of Madhya Pradesh.

- 5.10.3 Service Provider shall be solely responsible for the redressal of grievances / resolution of disputes relating to persons deployed. The High Court shall, in no way, be responsible for settlement of such issues whatsoever.
- 5.10.4 The High Court shall not be responsible for any financial loss or any injury to any person deployed by the service provider in the course of their performing the functions/duties, or for payment towards any compensation.
- 5.10.5 The persons deployed by Service Provider shall not claim nor shall be entitled to pay, perks and other facilities admissible to regular / confirmed employees of the High Court during the currency or after expiry of the Contract.
- 5.10.6 In case of termination of the contract on its expiry or otherwise, the persons deployed by Service Provider shall not be entitled to and will have no claim for any absorption in the regular / otherwise capacity in the High Court of Madhya Pradesh, Jabalpur.
- 5.10.7 The personnel during course of their work shall be privy to certain qualified documents and information which they are not supposed to divulge to third parties / other persons. In view of this, they shall be required to take oath of confidentiality and breach of this condition shall make Service Provider as well as the person concerned liable for penal ***action under IPC, Cr.P.C.*** or any other relevant provision besides, action for breach of Contract.
- 5.10.8 Service Provider will be responsible for compliance of all statutory provisions relating to Minimum Wages, Provident Fund, and Employees State Insurance etc. in respect of the persons deployed by it in the High Court of Madhya Pradesh. The High Court shall have no liability in this regard.

Confidential

5.10.9 Service Provider shall also be liable for depositing all taxes, levies, Cess etc. on account of service rendered for the High Court of Madhya Pradesh to the concerned tax collection authorities from time to time as per extant rules and regulations in the matter.

5.10.10 Service Provider shall maintain all **statutory registers** under the Law. The Service provider shall produce the same, on demand, to the High Court of Madhya Pradesh, Jabalpur.

5.10.11 In case, Service Provider fails to comply with any statutory / taxation liability under appropriate law, and as a result thereof the Registrar General, High Court of Madhya Pradesh is put to any loss / obligation, monetary or otherwise, the Registrar General, High Court of Madhya Pradesh will be entitled to get itself reimbursed out of the outstanding bills or the Performance Security Deposit of Service Provider, to the extent of the loss or obligation in monetary terms.

6. Brief Description of the Work:-

The brief description of the work for each of the record type is mentioned below:-

6.1 Judicial Record:-

The High Court of M.P. is looking for a turnkey Service provider who will scan and clean the entire "Part-A" of judicial Records in the Legal / A4 or equivalent with the help of High Court Digitization Software of Judicial Record/Judicial Case files. For different Judicial records the work of Digitization will be done as per following procedure:

6.1.1 Fresh Cases and Loose Documents:-

For Digitization of Fresh Cases and Loose document, the service provider will only do the work of scanning and cleaning. After the completion of work of scanning and cleaning through the High Court's Digitization Software by the service provider, the scanned and cleaned

Confidential

Page 10 of 37

SPSA (SA)
HIGH COURT OF M.P.
JABALPUR

tiff files will be auto saved and will be available on Digitization Server of High Court. Further the work of Indexing, Quality Checking, Splitting and uploading of High Court website will be done by High Court deputed manpower through High Court's Digitization Software.

6.1.2 Pending after Hearing Case files:-

These are mainly pending cases which are kept in sections. These cases may be either completely scanned or partly scanned as some part of it was earlier scanned. For such cases which are requires to be partly scanned, the work of Identification of record that is remaining to be scan shall only be done by service provider only. For a help the information about the status of the scanned document will be shown in to CMIS or Digitization software by High Court. For such cases scanning and cleaning of both type of cases needs to be done by service provider. Further the work of Indexing, Quality Checking, Splitting and uploading of High Court website will be done by High Court deputed manpower through High Court's Digitization Software.

6.1.3 Pending Disposed Case files or current disposed files:-

These are the files which are being disposed by Courts on day to day basis. In Principal Seat Jabalpur such files are first come in Compliance and Disposal cell then get deposited in Record room. Hence for Principal Seat, Jabalpur for these types of for such cases which are requires to be partly scanned the work of Identification of record that is remaining to be scan shall only be done by service provider deputed team. The cases which are yet to be completely scanned will be scanned and cleaned by service provider directly. For both type of cases further work of Indexing, Quality Checking, Splitting and uploading of High Court website will be done by High Court deputed manpower through High Court's Digitization Software. For a help the information about the status of the scanned document will be shown in to CMIS or Digitization software by High Court.

In Benches at Indore and Gwalior these types of cases are coming in to Record room. Hence the work of Digitization needs to be done in

Confidential

Page 11 of 37
 SPSA (SA)
 HIGH COURT OF M.P.
 JABALPUR

Record room. For such cases which are requires to be partly scanned the work of Identification of record that is remaining to be scan shall only be done by service provider deputed team. The cases which are yet to be completely scanned will be scanned and cleaned by service provider directly. For both type of cases further work of Indexing, Quality Checking, Splitting and uploading of High Court website will be done by High Court deputed manpower through High Court's Digitization Software. For a help the information about the status of the scanned document will be shown in to CMIS or Digitization software by High Court.

6.1.4 Old Disposed Case files:-

This category of cases includes such Disposed Cases which have been decided long back and also have been decided in recent years, further have been kept in Record Room. There are three different patterns available for these types of cases:-

1. Cases which needs to be **completely scanned because the case has been not scanned at all.**
2. Cases which need to be **partially scanned** as some part of the cases have already been scanned by old Digitization Service Providers.
3. Cases which were earlier scanned and digitized by old service provider but during current Quality Checking work or during Elimination work which is being done for each and every file it is now coming in to knowledge that some pages of case files are remaining to scan and needs to newly scan for proper Digitization work. The rectification is to be done by the Service Provider as per the terms and conditions mentioned in the contract and Tender.

For above mentioned pattern no. 1 the work of scanning and cleaning of the record shall be done by service provider with the

Confidential

Page 12 of 37
 SP SA (SA)
 HIGH COURT OF M.P.
 JABALPUR

help of High Court's Digitization Software by the service provider. After the completion of work of scanning and cleaning through the High Court's Digitization Software by the service provider, the scanned and cleaned tiff files will be auto saved and will be available on Digitization Server of High Court. Further the work of Indexing, Quality Checking, Splitting and uploading of High Court website will be done by High Court deputed manpower through High Court's Digitization Software.

For above mentioned pattern no. 2 since these cases partly scanned, for such cases firstly the work of the work of Identification of record that is remaining to be scan shall only be done by service provider only. After this identification the work of scanning and cleaning needs to be done by service provider. Further the indexing and other work will be done by High Court deputed team. For help of company the information about the status of the scanned document will be shown in to CMIS or Digitization software by High Court but service provider has to do the work of data segregation.

For above mentioned pattern no. 3 the work of Identification of record that is remaining to be scan or to rescan shall only be done by High Court team deputed for elimination work or for doing the work of 100 % Quality Check on the old scanned record. On the basis of the input of High Court deputed team the service provider shall do the work of scanning and cleaning and uploading on High Court Digitization Software or Server as per the informed procedure to the service provider. The relevant information about the status of the scanned document will also be shown in to CMIS or Digitization software by High Court. As per the prevailing procedure, there is a need of uploading of the digitized data from local server to digitization server /system, hence service provider has to do the necessary data uploading work on day to day basis.

6.1.5 District Court Records (Lower Court records):-

In Pending Cases when Hon'ble Court passes the direction to call the record from District Court, then High Court send the requisition there and

Confidential

Page 13 of 37
SPSA (SA)
HIGH COURT OF M.P.
JABALPUR

record comes at High Court. Records are bulky most of the time. Apart from the High Court record accompanied with the High Court cases the tagged record of Lower Court (District Court) needs to be scanned, cleaned, indexed and digitized. Here scanning is to be done with a very high speed. In cases , where scanning of lower court records already done , then under such condition no scanning is to be done by the service provider and in this case the scrutiny to be done properly and to intimate accordingly. Lower Court records to be checked by the service provider, whether the said files / records is scanned or not. High Court team will do indexing. Service Provider will do the scrutiny and will check the lower Court records.

6.2 Administrative Records :-

The High Court of M.P. is looking for a turnkey Service provider who will scan and clean the Administrative Records in the Legai / A4 or equivalent with the help of High Court its own Digitization Software of Administrative Records/administrative files. After the completion of work of scanning and cleaning through the High Court's Digitization Software by the Service provider, the scanned and cleaned tiff files will be auto saved and will be available on Digitization Server of High Court. Further the work of Indexing, Quality Checking. Splitting and uploading of High Court website will be done by High Court deputed manpower. The work of Indexing, Quality Checking, Splitting and uploading of High Court website will also be done through High Court's Digitization Software. The Administrative Record shall be available with all the Administrative Sections (like Establishment Section, Account Section, Cash Section, Exam Cell, Record Room Administration).

It is made clear that for Administrative Record Digitization the Service provider will only do the work of scanning and cleaning for Digitization. The rest of the activities will be done by High Court deputed manpower. For Digitization of Administrative Record the entire end to end software will be provided by High Court. The Service provider will only deploy the

Confidential

Page 14 of 37
SPSA (SA)
HIGH COURT OF M.P.
JABALPUR

necessary hardware (Computers, High Speed Commercial Scanner, Flatbed Scanners, Cameras, Book Scanners, and MAP Scanners) with the required Operating System/System Software/Software and the required manpower for scanning and cleaning work.

There are two prevailing patterns of keeping Administrative Record in High Court of M.P., Jabalpur In Principal Seat at Jabalpur the records of different administrative sections are being kept in Record room Administration Section. Records are categorized on the basis of Major and Minor head. All the administrative records are placed at one Place. At Benches different Administrative Sections keeps their records with them. Establishment section, Account Section, Protocol Section Cash Section etc. are the sections in which Records are kept in sections itself. Each record type having its own characteristic hence needs to be separately addressed.

6.3 Library Books and Library Document and other document:-

Old rare Books & (both black and white and colour), I L R (Indian Law Reporter) Publications Gazette Notifications and other papers etc. The thick cover (physical index page) of all the files needs to be scanned For scanning of books, the overhead book scanner is required. With prior permission the unbinding and binding of books may be done.

7. Objectives of Digitization :-

The need for *Digital preservation*, coupled with need for improving accessibility (which can only be achieved by digital storage and an efficient database management retrieval system) is an important need for High Court of M.P. The primary objectives of the proposed initiative are:

- a) **Digital Preservation** - preservation of the entire records is the foremost objective. Once the documents are scanned and digitized, preservation of the original can be ensured for a much longer or *infinite period* as the need to handle the physical

Confidential

Page 15 of 37
SPSA (SA)
HIGH COURT OF M.P.
JABALPUR

documents would be eliminated or minimized to a great extent since digital document would be made available through the DARIMS Software/*Digitization Software to various stakeholders.*

- b) **Accessibility and Availability** - The DARIMS/Digitization Software would make the High Court of M.P. holdings more accessible to end users, both within the High Court of M.P. premises as well as those who cannot personally visit the High Court of M.P.
- c) **Enhance Search ability** - all holdings would be linked based on subjects, keywords, notes or any other criteria making a tremendous amount of data easily available on any subject matter.
- d) Creating catalogue and portfolio of the scanned case files and other records

8. **Description of High Court of M.P. holdings that are to be digitized :-**

8.1 **All Judicial Records.**

8.1.1 **Fresh Case Files and Loose Documents:-**

Fresh Case Files includes Petition or Appeal. Computer Sheet, Scrutiny report, Annexure, Lower Court orders, etc. The Loose documents for Fresh Cases are some type of document (Interlocutory applications, Process fee, objections, vakalatnama).

Such and other related documents in Fresh Cases includes a vast majority of the documents comprise of Files of Legal and A4 sizes and other types. A single record may consist of one or several pages. Most of the documents are on papers. *The thick cover (physical index page) of all the files needs to be scanned. Records may also contain MAP's.*

8.1.2 **Pending after Hearing Case files, Pending Disposed Case files, Disposes Case files with all the patterns mentioned in Tender document and as above, District Courts Records:-**

Such type of Files includes Petition or Appeals, Computer Sheet,

Confidential

Page 16 of 37

 JABALPUR

Scrutiny report, Annexure, Lower Court orders, **Judgment and orders etc.** The Loose documents for Pending after Hearing Case files are some type of documents like Interlocutory applications, Process fee, objections, vakalatnama, etc. Such and other related documents in above type of records includes a vast majority of the documents comprise of Files of Legal and A4 sizes and other types. A single record may consist of one or several pages. Most of the documents are on papers. Most of the documents are on papers. The Holdings comprise black & white. Most of the documents / records are Black & white. There might be possibility that some color books might be there. The documents of all type may contain old carbon paper for which caution is necessary during scanning and cleaning. The document of all type (old rare books, old disposed judicial cases) contains old tear and torn paper for which caution is necessary during scanning and cleaning. *The thick cover (physical index page) of all the files needs to be scanned. (Records may also contain MAP's.)*

8.1.3 All Administrative Records:-

Administrative files of different section, Service Books, Landscape document in form of statements, short and long registers, Challans, Registers (small and large and landscape), normal documents. *The thick cover (physical index page) of all the files needs to be scanned. (Records may also contain MAP's.)*

8.1.4 Library Books and Library Document and other document:-

Old rare Books & (both black and white and colour), I L R (Indian Law Reporter) Publications Gazette Notifications and other papers etc. *The thick cover (physical index page) of all the files needs to be scanned.* For scanning of books, the overhead book scanner is required. With prior permission the unbinding and binding of books may be done.

9. Digitization Process for all type of Record Types:-

9.1 Judicial Record:-

Following process is to be adopted for Digitization of all type of Judicial Records:-

Confidential

Page 17 of 37
SPSA (S.A.)
HIGH COURT OF M.P.
JABALPUR

1. Document Preparation work (to be done by service provider)
2. Document Segregation work (to be done by service provider in some judicial record type and by High Court team in one judicial record type)
3. Scanning (to be done by service provider)
4. Cleaning and Quality Checking (to be done by service provider)
5. Indexing, Final Quality Checking (from client side), Splitting, Application of Digital Signature, uploading/synchronization of Digitized Data in High Court Digitization software/CMIS Software on High Court website (to be done by High Court deputed manpower). A creation of FTP/temporary storage shall be done by the High Court Team where the digital files can be temporarily kept and then transferred to the Software platform/DMS.
6. To cure the rejection pointed out by deputed Indexing/Quality checking team of the High Court (to be done by service provider) and to rescan / redo the remaining digitization and cleaning work.

For execution of all the above mentioned process the Digitization software shall be provided by High Court.

9.2 The detailed description of the Digitization Process for all Judicial Record types is as follows:-

1. Document Preparation work (to be done by service provider):-

The High Court staff deputed in Judicial Section /Record Room/ Administrative Section/Library shall deliver the physical files on day to day basis to service provider after taking due acknowledgement from the Service provider regarding what document they have delivered to Service provider for scanning. The service provider shall do document preparation work by unbinding/un-tagging/ un-dusting the physical files with due care. Document preparation work shall include the work of unbinding, repairing, cleaning, counting the number of pages of the physical file and also rebinding if requires. Proper tapes are to be affixed on torn pages. It can be maintain in register or in the CMIS software of

Confidential

Page 18 of 37
SPSA (SA)
HIGH COURT OF M.P.
JABALPUR

the High Court. Apart from the segregation work, service provider needs to do the pagination activity (physically). The document preparation and paging / numbering will be done by the service provider.

2. **Document Segregation work:-**

For Fresh Cases and Loose Documents: No document segregation work is require though document receiving and delivery needs to be dome more cautiously.

For Pending after Hearing Case files (partly scanned cases)
After the document preparation, the work of document segregation by identify and flagging the physical documents of files which are required to be scan for Pending after Hearing Case files shall be done by Service provider.

For Pending Disposed Case files (partly scanned cases) after the document preparation by Service provider, the work of document segregation shall be done by Service provider deputed team. No document segregation require for not scanned cases. These cases will be directly scanned and cleaned by service provider.

For Old disposed cases which are yet to be completely scanned: No document segregation work is required.

For Old Disposed Case files (partly scanned cases) After the document preparation by Service provider, the work of document segregation by identify and flagging the physical documents of files which are required to be scan shall be done by Service provider.

For Old Disposed Case files which were earlier scanned by some company and in which a rejection is being marked by Elimination or Quality Checking team of High Court during 100% Quality checked the work of the work of document segregation shall be done by **High Court deputed team.**

For Administrative Records and Library books and other Documents: No document segregation work is required currently.

Confidential

A handwritten signature in black ink.

Page 19 of 37

3. **Scanning (to be done by service provider):-**

After the document segregation (either by Service provider or by High Court deputed team as described in above mentioned points) the Service provider shall scan the record of as per the Technical specification mentioned in Tender document. After scanning of each page, scanned page must be stamped so that scanned pages can be identified whether it is photocopy or original document. Scrutiny clerk of the High Court will identify and stamp the original and photocopy document at the time of registering the cases/ documents. The stamped documents will be scanned by service provider and after scanning service provider should stamp those documents with "SCANNED" stamp.

4. **Cleaning and Quality Checking (to be done by service provider) :-**

After scanning the process of cleaning of the created image shall be done by Service provider. The process of cleaning shall include the work of removing Black band and blemish removal, deletion of blank and invalid pages, Black marks removal, De-skewing, De-Speckling, Cropping (No content should be missing) and Image Orientation.

5. **Indexing (to be done by High Court deputed manpower) :-**

After completion of the scanning and cleaning of the judicial record the High Court deputed manpower shall do the complete indexing of the scanned record in Digitization Software of High Court with indexing parameter as mentioned in Annexure P, Annexure Q, Annexure R of the Tender document. The manpower deputed within High Court will arrange for indexing of records within Court premises.

6. **Quality Checking by High Court deputed manpower:-**

Quality checking work will not be additionally done by the High Court deputed manpower and this work will be done immediately after completion of the Indexing work by the same manpower and

Confidential

Page 30 of 37
SPSA (SAY)
HIGH COURT OF M.P.
JABALPUR

the deputed manpower will pass an entry (whether Quality is accepted or not) in Digitization Software for this at the same. Hence at the time of Indexing only Q.C. will be done.

7. Application of Digital Signature by High Court deputed team:-

After Indexing and Quality Checking by High Court team the Digital Signature will be applied by High Court deputed official for all such cases which in which Quality is satisfactory. The Data will be further synchronized in to High Court Digitization Server/website/CMIS software.

8. To Clear the Rejections (by Service provider):-

For all such cases which have been rejected by High Court team service provider will do the work of rejection clearing on the same day in Fresh Cases/Listed Pending Cases and in two days for other type of cases. The rejection clearing work shall be done up to the satisfaction of High Court otherwise the penalty will be imposed by High Court as per Tender document.

The cases and loose documents which are being received at Filing Section are needs to be scanned on **same or next working day**. But for the other type of record (Pending after Hearing Case files, Pending Disposed Case files, Partially scanned old Disposed Case files) since scanning work involves an activity of identification of such record which are remaining for scanning because mostly this type of record were already partly scanned on earlier time and some part of the record is still needs to again scan. Hence, service provider needs to identify first the record that is to be scanned and then scan the required record, scanning and cleaning for such cases for should be done on same day is case of current disposed cases and within two days in old disposed cases which were earlier scanned and currently is being checked by elimination team.

Confidential

Page 21 of 37
 S P S A (SA)
 HIGH COURT OF M.P.
 JABALPUR

The work of Identification of record that is remaining to be scan shall only be done by service provider only hence service provider are requested to please examine the process.

9.3 Digitization Process for Administrative Records:-

Following process is to be adopted for Digitization of all type of Administrative Records:-

The same process as mentioned for Judicial Record types will be applicable to Administrative Records. The only point is to mention that in Principal Seat at Jabalpur the record will give and taken by High Court team to Service provider team through a centralized place that is record room administration. All the administrative records are placed at one Place i.e. record room administration. But at Benches different Administrative Sections keeps their records with them. Establishment section, Account Section. Protocol Section Cash Section etc kept the record in their sections itself. Each record type having its own characteristic hence needs to be separately addressed. The work of data segregation is not available for administrative records.

The administrative records needs to be scanned on same or next working day. rejections should be cleared on same day.

9.4 Digitization Process for Library Books and Library Documents (If required) :-

The same process as mentioned for Judicial Record types will be applicable Library Books and Library Documents also. The work of data segregation is not to be done for administrative records. For books /registers overhead book scanner will be used (if required). With prior permission the books / registers will be bound or re-bound.

The Library records needs to be scanned on same or next working day. rejections should be cleared on same day.

9.5 Estimate of Volumes :-

Below are at best a very rough guess of the volume. Given the nature of the collection, the exact volumes can only be ascertained by the

Confidential

Page 22 of 37

HIGH COURT OF M.P.
JABALPUR

digitization process.

Artefacts/ Items to be digitized *	Approximate no. of pages
Judicial Records	4 Crore
Administrative Record	25 Lakh
Other	10 Lakh
Note * The Number of items to be digitized may increase /decrease depending on final completion.	

10. Pilot Project:-

- a. Successful completion of the pilot shall be prerequisite for going ahead with the remaining contract. All payments under this contract shall commence only after the successful completion of the pilot project
- b. For Digitization of all the Judicial and Administrative records and Library records the software will be provided by High Court of Madhya Pradesh. Hence the work of creation of Metadata will be done by M.P. High Court, Jabalpur. Under Pilot Project, the service provider shall do the activities of Document Preparation, Document Segregation, Scanning, and cleaning for all type of record as mentioned in point number 6, 8 and 9 of this contract. While using the Digitization software of M.P. High Court, the service provider needs to do enter the accurate entries in the relevant software module. Successful completion of the pilot shall be the prerequisite for going ahead with the remaining contract. All payments under this contract shall commence only after the successful completion of pilot project. The pilot project will be done at Jabalpur and under this the service provider has to digitize minimum 2 Lakh pages within a period of one month.
- c. ***Using a representative sample of the High Court of M.P. of all the artifacts and of all the process as mentioned in Tender document, the Service provider shall conduct a pilot of***

Confidential

Page 23 of 37
SPSA (SA)
 HIGH COURT OF M.P.
 JABALPUR

the Digitization process. The purpose of the pilot project is to gauge the ability of the proposed work plan and workflow to digitize artifacts with the required speed, quality of digitized records and care of original artifact. The criteria by which the Pilot Project Digitization processes are assessed:-

- Efficiency in Receiving and Delivering the artifacts
 - Care and Handling of artifacts.
 - Number of artifacts digitized per day
 - Accuracy and Quality of scanned and cleaned records
 - Accuracy in the work of Data Segregations, scanning and cleaning for the mentioned judicial record type. Since immediately after the Data Segregations, scanning and cleaning the work of Indexing and Quality checking will be performed, error will be immediately traceable by High Court.
 - *Rejection handling procedure in both case i.e. Whether the record has been rejected in Quality Check or in Elimination Process.*
- d) The Pilot Project allows the Service Provider to improve their Digitization processes by adjusting the Workflow and Work Plan based on the findings of the ongoing assessment of the Pilot Project.
- e) The Pilot Project would not be approved for full implementation by the High Court of M.P. until all assessment criteria are approved by High Court of M.P.
- f) It is expected that a total of Two Lakh pages in a consolidated way for all the three locations would be covered in the pilot phase. These Two Lakh Page (for the Pilot) would be selected in a manner to ensure that all kinds, types, categories and condition of artifacts are included in this so that this sample is adequately representative of the complete collection. *Sample of all types of process shall be taken into consideration.*
- g) *Pilot project approval is the preliminary approval for the execution*

Confidential

Page 24 of 37

 JABALPUR

of all the relevant process for the Digitization project. Even after approval of it, the High Court of M.P., Jabalpur may change the process due to unforeseen scenarios or due to change in requirement of High Court of M.P., Jabalpur.

h) Before going for pilot High Court may form a Site Acceptance Test Criterion/User Acceptance test Criterion in light of User Acceptance Plan which is an integral part of Tender document. Pilot approval will be subjected to this test.

11. **Software Licensing / Development :-**

Since the work of Scanning and Cleaning will be done by Service provider with the use of Digitization Software of High Court, It will be the duty of Service provider to install all the software's required for Computers, Scanners and other hardware for ensuring the working of it through High Court Digitization software.

The service provider has to deploy computers with the specification core i3 or above having 64-bit windows OS 8.1 or above with 8 GB RAM for smooth working. The scanner needs to be deployed as per the specification mentioned in Tender.

12. **Technical Specifications and Hardware Requirements:-**

While doing the work of scanning and cleaning the Service provider has to do the compliance for TIFF files as described below. Further process for the required file format will be taken care by High Court. Service provider has to ensure that the documents are being scanned as per the technical specifications mentioned in tender document.

Specifications	All Judicial Record including Judgment and Order, Records A3 / Legal / A4/ Old Rare Books, Journals , ILR Publication
File Format	Uncompressed TIFF
Scanning - Optical Resolution	100x100,200x200,300x300, 600x600 or as directed
Colour / Bit Depth	12/ 24 Bit Colour
Feeding (Scanning) Method (*)	Manual / Flatbed/ sheetfed/ Book / ADF /MAP Scanner or as directed.

HIGH COURT OF
JABALPUR

duplex Scanner (with a mix combination of integrated and not integrated Flatbed scanners) as per the specification mentioned in Tender document or clarification thereof needs to be deployed by service provider.

For all three places (Jabalpur, Indore and Gwalior) this is also required for service provider to deploy some scanners of both type (only ADF and ADF and Flatbed both) in spare because sometimes cases and loose documents gets registered in huge count(like after opening of Courts after Holidays).

It is made clear here that the scanners specifications mentioned in the Tender are indicative only though scanners are to deputed with at least these specifications, but as per the requirement of scanning the service provider has to deploy the scanners at all the three sites.

The deployed Scanners should support ADF and Flatbed options and should be capable of scanning A3 size pages in Flatbed scanning and also in ADF. The ADF of Scanner should support scanning of documents up to maximum length as per market prevailing standard.

For example with its Flatbed, Scanner should support the scanning of documents for (Width* Length) for minimum size

Scanner component detail	Minimum width * Minimum Length of the Document	Maximum width * Maximum Length of the Document
Flatbed part of the Scanner	25.4*25.4 mm or 1 Inch	216 x 356 mm or 8.5 * 14 Inch
ADF Part of the Scanner	105 x 148 mm or 4.13 * 5.82 Inch	216*3100 mm or 8.5*122 inch

13. General Conditions of the Contract (GCC)

13.1 Specification:-

The Project to be executed under this contract shall conform to the Technical Specifications given in the tender.

- 13.7.3 The Service Provider, if faced with problems in timely delivery of services, which have dependencies on the other vender which are beyond their control at any time before the Final Acceptance Signoff, shall immediately inform the Registrar General in writing, about the causes of the delay and tentative duration of such delay etc. The Registrar General on receipt of such intimation shall analyze the facts at the earliest and may at its sole discretion, extend the contract period as deemed reasonable.
- 13.7.4 Any delay by the service provider in the delivery of Products/ equipment and/or the services will make the service provider liable to any or all of the following:
- i. Forfeiture of Performance Bank Guarantee
 - ii. Imposition of Liquidated Damage charges
 - iii. Termination of the contract for default.
 - iv. Blacklisting of the service provider.

13.8 Liquidated Damages :-

If the Service Provider fails to perform the services within the time period(s) and unable to meet out the targets specified in the tender, the Registrar General, High Court of Madhya Pradesh shall without prejudice to its other remedies under the contract, deduct from the contract price, as liquidated damages, a sum equivalent to the 0.5% of the contract price for delay of every week (seven days) or part thereof, up to maximum deduction of 10% of the contract price. Once the maximum is reached, the Registrar General, High Court of Madhya Pradesh may consider termination of the contract.

14. Force Majeure :-

- 14.1 Neither party shall be responsible to the other for any delay or failure in performance of its obligations due to any occurrence commonly known as Force Majeure which is beyond the control of any of the parties, including, but not limited to, fire, flood, explosion, acts of God or any governmental body, public disorder, riots, embargoes, or
